NEWSAM**

PRESIDENT'S COLUMN

We receive a lot of comments about mask-wearing or, rather, about people in the neighborhood not wearing masks or wearing masks that do not cover both mouth and nostrils. I have thought about this. As a scientist, I have been trained to question, to probe, to ask about the basis for assumptions, to inquire about supporting data. In the case of masks, such information is available to those willing to invest in a little searching. Curious, I have looked at some of these references. I wondered, for example, how the measurements were done that demonstrate that the carbon dioxide levels in breath are essentially unaffected whether or not the breather is wearing a mask. Yet, I was also able to accept the recommendations of our public health officials. I have trust and confidence in these professionals, respecting those who know much more than I do.

Studies have also been published recently that show how the risk of being infected with COVID-19 varies with environment (and mask wearing). The risks are certainly lower for interactions outside, but they are not zero. Hence, I hope that you can join with us in being disciplined about wearing a mask when out in public. I like to think of my masks (I have by now accumulated a few designs), when worn, as a visible statement that I care about you.

Continued on page 5.

CONGRATULATIONS

to the LaCava family, long-time
Bird Rock neighborhood residents.

On December 10, 2020, Joe LaCava was sworn in as the newly elected councilmember for San Diego City Council District One.

At the end of December, Bird Rock Elementary School's kindergarten teacher Lorene LaCava retired after 26 years at Bird Rock Elementary School.

Mosquito Control and the San Diego County Vector Control Program

The San Diego County Vector Control Program (VCP, www.SDVector.com) monitors and reduces animals or insects that can transmit diseases to humans. Vectors in San Diego County include mosquitoes, rodents, ticks, and eye gnats. Mosquito-transmitted diseases can include West Nile Virus, St. Louis Encephalitis, Western Equine Encephalitis, and Malaria. Information about the VCP can be found on-line at http://www.sdcounty.ca.gov/deh/pests/vector_disease.html.

www.SDFightTheBite.com
Logo courtesy of www.FightTheBiteColorado.com

Mosquitos need only a small amount of standing water in which to lay their eggs. Any water that is standing without circulation for more than two days can become a mosquito breeding location. It usually takes only a week for mosquito eggs in standing water to hatch into the larval stage and transform into adult mosquitoes. Adults live about 2 weeks.

Please help reduce the mosquito population and mosquito-transmitted diseases by eliminating sources of standing water from around your home and removing breeding opportunities.

- 1) Swimming pools, spas, and fountains: Keep the water clean and circulating.
 - 2) Small non-circulating children's pools: Empty after use.
 - 3) Irrigation: Don't over water.
 - 4) Storm and roof drains: Keep drains clear of debris so that water can drain.
 - 5) Containers, buckets, pot saucers: Store upside down or covered; periodically check.
 - 6) Birdbaths, troughs, and ponds: change the water weekly or place mosquito fish (*Gambusia affinis*) or larvicides into the stagnant water.
- Note: mosquito larvicides act specifically on mosquito larvae & don't harm other wildlife.
- 7) Trash cans: Keep can covered or drill holes in the bottom to allow water to escape.
 - 8) Leaking faucets and hoses: Fix the leaks.
 - 9) Boats, garden furniture: Keep covered; check for water collecting inside or on them.
 - 10) Rainy season: Look for and remove standing water. Check water collection barrels. Ensure there are no larval stage mosquitoes in the collection barrels.

5 IN-PERSON CLASSES \$95

PRESIDENT'S COLUMN *(continued from page 1)*

I am eager, of course, to get vaccinated, but I plan to continue wearing a mask long after that point, even though the risks of my being infected or of my infecting a loved one or neighbor will then be essentially zero. I like projecting the 'I care about you' message.

Our next community meeting will be on Tuesday February 2nd 2021. It will be via video call. If you have requests or suggestions as community issues to put on the agenda, or guests we might invite (such as representatives of local and state government, or of city departments), please let us know by email to info@birdrockcc.org. I hope you will be able to participate in the meeting. I wish you a healthy, safe and memorable holiday season.

**E.B.SCRIPPS PARK
COMFORT STATION
UPDATE as of 1/5/2021**

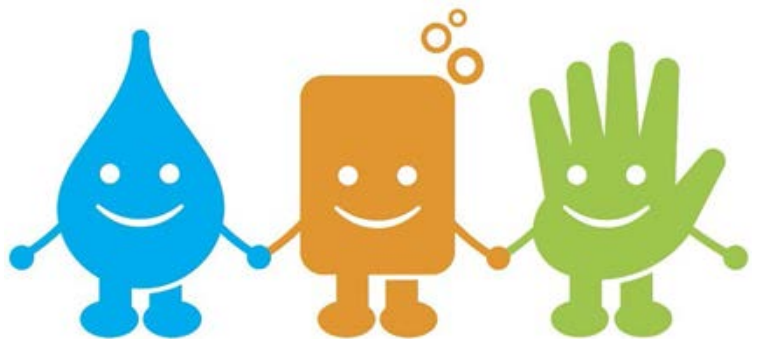

Construction activity is continuing on schedule for the E.B. Scripps Park Comfort Station Replacement Project.

Work has begun on the foundation of the north building. The crews expect to pour the walls in the early weeks of January. Work will continue on the structural elements of the buildings for the next few months.

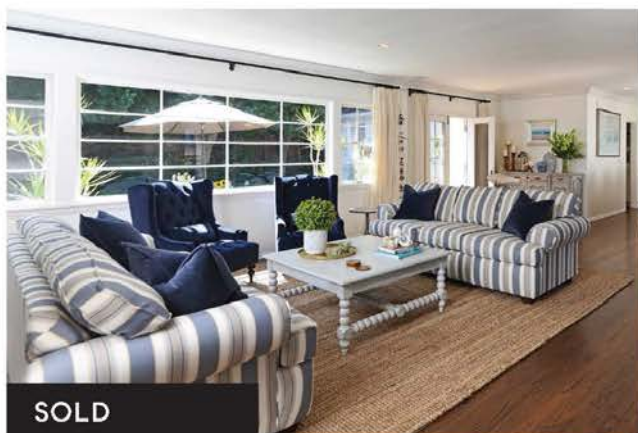

The project remains on schedule for an anticipated completion during this summer (2021).

The City of San Diego thanks the community for its continued patience and understanding as work continues on the needed and much-awaited Comfort Station at the E.B. Scripps Park.

Bird Rock Elementary School

is celebrating its second year as a kindness certified school.

Kind Hands,
Kind Thoughts,
Kind Heart,
Kind Words...
Choose Kindness!

January is Kindness Month at Bird Rock Elementary School. The second annual BRE Kindness Week is January 25-29, 2021.

Household Hazardous Waste Transfer Facility

IMPORTANT INFORMATION:

Due to ongoing COVID-19 health and safety measures, visitors are required to wear face masks and remain in their vehicles at all times. Visitors must also adhere to onsite personnel instruction and store hazardous materials for drop off in the car trunk or truck bed for easy access. Due to the volume of landfill and recycle center visitors, traffic delays may occur.

City of San Diego residents may dispose of Household Hazardous Waste (HHW) by appointment only at the HHW Transfer Facility free of charge. Appointments can be made on the website located at <https://www.sandiego.gov/environmental-services/miramar/hhwtransfac> by selecting the Make an Appointment Now tab. Please bring proof of City residency, a picture identification, or a recent bill showing your name and address.

Location: Entrance of the Miramar Landfill (5161 Convoy St, 92111, north of State Route 52)

Hours: Saturdays from 9 a.m. to 3 p.m., except holidays.

Accepted Waste

All products used in the routine maintenance of your home, yard, or vehicle which are labeled with words such as "Danger", "Warning", "Caution", "Poison", "Flammable", or "Corrosive". A maximum of 15 gallons or 125 pounds of hazardous household waste may be transported to the Household Hazardous Waste Transfer Facility (15 gallons refers to the actual contents of the container, not the container size).

NOT Accepted Waste

Business Waste (contractors, landscapers, homeowner associations); Waste from non-profit organizations; Appliances; Asbestos waste; Containers larger than five (5) gallons in size; Compressed gas cylinders (other than propane cylinders & fire extinguishers); Electronics Explosives (ammunition, fireworks, marine flares); Lead paint waste; PCB Capacitors and Transformers (Polychlorinated Biphenyls); Radioactive material.

Lorene LaCava, pictured at her December 18, 2020, retirement celebration.

Former kindergarten student Stella Mae Lanuti (Sea Side Yard Cards entrepreneur) set up a wonderful display of gratitude through her yard card company to kick off the retirement festivities which included a surprise parade as nearly 50 cars containing current and former pupils and family members paraded past.

Mrs. LaCava Retires from Bird Rock Elementary School

Long time Bird Rock resident Lorene LaCava retired from Bird Rock Elementary School (BRE) at the end of December 2020 where she had been a teacher since 1996. Lorene moved to the Bird Rock neighborhood as a child. She attended Muirlands Middle School, while her siblings were attending Bird Rock Elementary School, graduated from La Jolla High School, and received her degree from the University of California, San Diego (UCSD), Revelle College.

Lorene and Joe LaCava have called Bird Rock their home since 1984, and raised two daughters who attended Bird Rock Elementary. While serving as a Parent Volunteer at BRE, Lorene was inspired by the teaching staff to earn her teaching credential. She did her student teaching at La Jolla Elementary and came to Bird Rock Elementary as the Science Teacher in 1996. The next year, Mrs. LaCava, as she is known to her students, became one of the school's fifth grade teachers and finally landed her dream job as a K-2 Kindergarten teacher a year later in 1998.

Mrs. LaCava's favorite phrase is "Love Your Community," and she has practiced this daily in her class, at the school, and with the extended family that the Bird Rock Community represents. She has served as chief spokesperson for BRE at innumerable events including welcoming new parents to BRE and created a sense of pride in the daily happenings and events at the school. She has always demonstrated professionalism, fairness, and integrity when she wrote articles for the BRCC Bird Rock Newsletter, informed officials of important events, or advocated for children.

Lorene has left her mark as a teacher in numerous ways. She was a founder of SEEDS (Stimulate minds, Enrich spirits, Engage community & Develop good citizenship through Service) that has dedicated itself to improving the BRE school environment. She has been a leader who served as the Site Governance Chair and a mentor. She remains a friend to many, many students, parents, colleagues, and community members. The staff at the Bird Rock Elementary School are sad to see her leave and "all wish her well as she begins the next chapter in her life."

"Love Your Community"

Celebrating
5 years in
business!

Thank you
Bird Rock for
your support!

Putting environmental
responsibility first, we
have avoided using

2-1-1 SAN DIEGO

COVID-19 Vaccine

COVID-19 vaccination is an important tool to end the COVID-19 pandemic and reopen the economy. Vaccines have arrived in San Diego County. They are going to people in phases.

If you are 75 or older and do not have access to a computer or someone to assist you, you can call 2-1-1 for help connecting with your health care provider or making a vaccination appointment at a County of San Diego site.

Vaccine Appointments

Please first contact your doctor or medical provider for vaccine availability.

If you are not able to receive a COVID-19 vaccination from your doctor or medical provider, additional options are available. Call 2-1-1.

Current Requirements to Receive a COVID-19 Vaccination:

- Must be a health care worker, other Phase 1A individual, OR aged 65 years or older
- Photo ID/documentation is required
- Appointments are required

Do not schedule an appointment if you have COVID-19, or are sick.

SD EMERGENCY: The Must-Have Preparedness App

With SD Emergency, the tools you need to plan, prepare and respond in an emergency are right at your fingertips.

Available on the App Store | Get it on Google play

County of San Diego – Prepare. Plan. Stay Informed - <http://readysandiego.org/>
Ready San Diego, San Diego County Emergency, and San Diego County Recovery

ReadySanDiego <http://readysandiego.org/SDEmergencyApp/>

Disaster Preparedness Starts With You

Your family may not be together when disaster strikes, so it is important to plan in advance: how you will contact one another; how you will get back together; and what you will do in different disaster situations.

The SD Emergency App contains disaster preparedness information, interactive checklists to help you to create your emergency plan, build an emergency supplies kit, and when disaster strikes; the SD Emergency App will keep you and your family informed with emergency updates, interactive emergency maps, and shelter locations.

The County of San Diego Office of Emergency Services (OES) created the SD Emergency App to better prepare and inform San Diego County residents and visitors about disasters. With SD Emergency, the tools you need to plan, prepare, and respond in an emergency are right at your fingertips.

SAN DIEGO COUNTY COVID-19 INFORMATION

See: https://www.sandiegocounty.gov/content/sdc/hhsa/programs/phs/community_epidemiology/dc/2019-nCoV/vaccines/COVID-19-VaxEvents.html

COVID-19 Vaccination Appointments

County-hosted COVID-19 vaccination events are open now to healthcare workers, others in all tiers of Phase 1A, and people age 65 and older. Details on those groups are below. You need to make an appointment.

If you're eligible, first contact your doctor or medical provider. If you can't get a COVID-19 vaccine from your doctor, you can use one of the sites listed here.

If you are a healthcare worker and work for an enrolled COVID-19 vaccination provider, your employer will contact you about being vaccinated. Other healthcare workers can use the sites here.

Eligibility is based on [federal](#) and [state](#) guidance and recommendations from the County's [COVID-19 Vaccine Clinical Advisory Group](#).

Vaccinating NOW

Phase 1A-Tier 1

- Staff working in acute care, psychiatric, and correctional facility hospitals
- Staff and residents in skilled nursing facilities, assisted living facilities, and similar settings for older or medically vulnerable individuals
- Paramedics, EMTs, and others providing emergency medical services
- Staff working in dialysis centers
- Staff working in behavioral health residential facilities
- Staff licensed to administer vaccinations

Phase 1A-Tier 2

- Healthcare personnel performing intermediate care, for persons who need non-continuous nursing supervision, and supportive care
- Healthcare personnel providing home health-care and in-home supportive services
- Community health workers, including promoters
- Public Health field staff
- Staff working in primary care clinics, including Federally Qualified Health Centers, Rural Health Centers, correctional facility clinics, and urgent care clinics
- Staff working in behavioral health non-residential or outpatient facilities

Phase 1A-Tier 3

- Other settings and healthcare workers not identified in the tiers above, including specialty clinics, dental/oral health clinics, pharmacies, and mortuaries
- Laboratories that have a CLIA license or are doing research with SARS-CoV-2
 - CLIA-licensed labs conduct testing performed on specimens from humans, such as blood, body fluid and tissue, for the purpose of diagnosis, prevention, or treatment of disease, or assessment of health; there is no general biotech category, but an organization may fit into a sector in later tiers depending on the nature of their work.

Individuals aged 65 years of age and older (as of 01/23/21)

Appointment registration is required and space is limited.

The County is working to establish multiple vaccination sites and is partnering with other healthcare facilities to complete COVID-19 vaccinations. **As additional COVID-19 vaccination sites are activated, details will be provided on this website. Please continue to check this page for new listings as the situation remains fluid.**

- Review the vaccination site locations.
- Click "Schedule an Appointment" at the top of the table or go to <https://myturn.ca.gov/>.
- You will be redirected to MyTurn, the California Department of Public Health's vaccination appointment system, to complete an online registration.
- At the time of your appointment, you must present photo ID/documentation that establishes you meet the eligibility requirements outlined above *(as of 01/23/21)* to receive a COVID-19 vaccination.
 - In addition to an employee ID badge, other accepted documents for Phase 1A healthcare worker identification include:
 - Professional license **AND** a photo ID; or,
 - Signed letter from your employer on facility letterhead **AND** a photo ID; or,
 - Payment stub or timesheet from your healthcare employer or in-home supportive services **AND** a photo ID.
- You will be required to wear a mask and adhere to social distancing guidelines for the duration of your visit.
- Prior to your vaccination, you will receive a health screening.
- After your vaccine has been administered, you will be asked to remain at the location for a **15-minute** observation period.
- Before leaving, you will be provided a vaccination card with the date of your next dose.

Bird Rock Animal Hospital
858-459-3279

What's New at Bird Rock Animal Hospital?

Introducing Dr. Kären Marsden to our Bird Rock team!

- Holistic Veterinarian of the Year, North America 2019.
- Integrative Medicine: Acupuncture to compliment allopathic treatments.
- Custom Nutritional Plans created for each patient.
- She is a Bird Rock Resident.

We are continuing Curbside Concierge service.

Due to Covid constraints, please call to set up appointments and when you have arrived outside in the parking lot. We will come out to you and your pets. We appreciate your patience, as we've been extremely busy.

We have a New Mosaic Tile Bird Rock Animal Hospital sign!

Thank you Jane Wheeler for doing an amazing job, it looks perfect and very Bird Rockian! Come by to check it out and get a free treat (joint support) for your furry family member.

*Craig, Savannah, Dr. Marsden, Emily, Dr. Singer & Alex
(not pictured: Dr. Lopez, Rosa & Lindsey)*

Craig Bender, Jane Wheeler & Dr. Marlin Grosz

Thanks for supporting local, we appreciate your business!

ABOUT VIDI

Vidi's 5 star reputation is a result of her widely recognized, unparalleled service and her in-depth knowledge of the La Jolla luxury real estate market. A La Jolla native, Vidi studied at the University of California, Santa Barbara, before moving back to San Diego to follow in her family's footsteps in the real estate world. With her astute problem-solving and hands-on approach, Vidi is always looking for new ways to streamline the real estate experience for her clients. Vidi resides in Bird Rock with her husband and two boys and shares her love of real estate and family with her many followers on social media.

Find her on Instagram @vidiljrealestate

BUSINESS PHILOSOPHY

Vidi says "I am so fortunate I get to live my dream every day by working with wonderful clients. I not only get to help in the telling of their story but get to have so much fun with them while going through the process"

SIGNATURE SERVICES

Vidi believes in staging so much she offers it complimentary on every listing. She knows the importance of that first impression and will work tirelessly to make sure your home is looking its best when a buyer walks through that door.

JUST SOLD | COMPASS

1702 Colgate Circle | 6 bedroom / 6.5 bath on 1/2 acre lot
Just Sold in 3 Days \$4,195,000

REVIEW FROM SELLER OF 1702 COLGATE CIRCLE

"Vidi is a total professional: knowledgeable, accessible, and full of creative ideas on how to get the most out of your house sale. I needed to sell my parents' house, and Vidi made it a seamless process, from quoting and executing repairs, staging the home, marketing the house, and closing the sale. We were only on the market for three days before we knew we were in escrow! Best of all, Vidi is such a fun-loving person. She truly cares about her clients and makes the process a blast. I'm so happy that I just trusted her to sell my child at home (and at top dollar!). Thank you, Vidi!"

How to Report a Crime to the San Diego Police Department

***Posting on Nextdoor.com or any other social media outlet, IS NOT reporting a crime.
SDPD does NOT monitor Nextdoor.com.

1. **To Report an Emergency- Dial 911**
2. **To Report a Non-Emergency- Call 619-531-2000 or 858-484-3154**

**To bypass the phone tree & reach a call taker, press the asterisk (*) key at each prompt.

What is a Non-Emergency:

- Crimes that are not occurring now
- Crimes in which there is no possibility that the suspect is still at the scene or is likely to return to the scene; and
- Crimes for which an immediate response is not needed

If there is any doubt as to whether the situation is an emergency, call 9-1-1.

All calls are handled by priority. Protection of life will always be the highest priority.

What you will be asked when you call the police:

- Type of crime and if a weapon was involved
- Location: exact street address and nearest cross street
- Number of persons involved and if any injured (if so, types of injuries)
- Vehicle information - license number, type, color, year, make, model, unusual characteristics (e.g., dents, bumper stickers)
- Suspect information - gender, race, age, height, weight, hair color, hair length/ style, eye color, facial hair, clothing type/color, other characteristics (e.g., tattoos, missing teeth, scars, glasses) and direction of flight.

3. **Report Quality of Life Issues** (ie. homeless encampments, illegal dumping, vehicle habitation) on the updated "Get it Done" App at: <https://www.sandiego.gov/get-it-done> Typically reports are processed Monday – Friday, 6:30am to 4:00pm. If it is an immediate hazard, please call (619) 527-7500.

Step By Step Process for Reporting Transient Encampment

- Download the free "Get It Done" app and open.
- Select "New Report," scroll down to the "Other" category, & select "Encampment"
- Use the "Location" tab to provide the closest street address from where the encampment can be accessed. You can either type in the address or use the cursor on the map to select the address.
- Use the rest of the tabs to give the best information possible.
- Use the "My Info" tab to provide your information which will not be visible to the public, but will allow contact if more information about your report is needed.

4. **Online Reporting: You can report some cold crimes on the SDPD website at: <https://www.sandiego.gov/police/services/nonemergencies>.**

Read all instructions to verify your report meets the criteria. These reports are generally for insurance and important data collecting purposes. If there is evidence to be collected, or it's a known suspect you must call 619-531-2000 or 858-484-3154 to have an officer dispatched to your location.

Your online report will be given an 8-digit tracking number such as T19001234. This IS NOT a case number. After reviewing your online report, an officer will email you an 8-digit case number without the "T" such as 19001234. If the officer has questions about your report or there is an issue, you will receive an email to call a number or to correct an error and re-file. **The report is not complete until you receive a case number.**
